**What to Do Before You Pack and Leave:**

- Please adhere to the following information and your assigned check-in time frame.
- Try to avoid bringing large unloading vehicles such as rental trucks, trailers, etc. as parking for these special vehicles is extremely limited and not present in the surrounding area.
- Try to consolidate all items to be unloaded in one vehicle to reduce the amount of cars in the unloading zones.
- **All items must be labeled with the student's name, hall and room number, and if fragile.**
- Avoid packing boxes that weigh more than 50 pounds, bring a dolly cart if possible to assist with your heavy boxes because elevator access is extremely limited.
- Please dress comfortably as the weather will be very warm.
- Remember to bring your Baylor Student ID card if previously issued.
- A list of "what to bring" can be found at [www.baylor.edu/CLL/Move2BU](http://www.baylor.edu/CLL/Move2BU).

**What to Expect When You Arrive to Unload:**

- Once you arrive to the unloading zone, the student resident will check-in with a staff member at the unloading zone and then proceed to their room. If other family or friends are present, they will be asked to assist in the unloading process and then park the vehicle in designated parking as soon as it is unloaded to avoid congestion in the check-in process.
- Awesome faculty, staff, students and community church volunteers will **assist you** in the unloading process!
- Once your vehicle is unloaded, you will be directed to move your car immediately to a parking facility.
