

Baylor is full of opportunities for each of you. Membership in Baylor Round Table 2009-2010 is a way of being a part of a very special group of women with a purpose. We invite you to participate by being a part of all the fellowship activities and by supporting our Round Table scholarship program.

Even though you might feel you are unable to be active at times, it's important to join and to be a supporter of this women's organization. The investment of time and energy is rewarding, and we look forward to sharing great programs and spectacular events with you.

Please take the time to join NOW as we strive together to enhance our Baylor community.
