<b>Elective Hours:</b>	<b>15</b>
<i>All MBA students are required to take one on-campus international elective course unless participating in an overseas study/internship program. Click on the <b>international electives</b> link to view the current international course offerings. Please note: The entire list of course offerings is not available every semester so you will need to periodically check the availability of these courses.</i>	
<i>General elective offerings are made available each semester for student selection.</i>	

Students may choose a SELF-REPORTED concentration in the following areas by taking electives in each area. These concentrations will not show on transcripts or diplomas. Please see Baylor Course Catalog for a list of courses offered.

- Economics
- Entrepreneurship
- Finance
- Information Systems
- Management
