

# Downtown Walking Tour

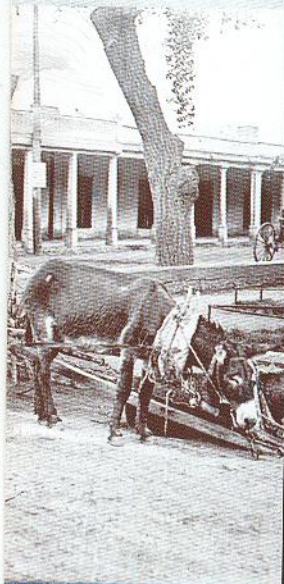

Palace of the Governors

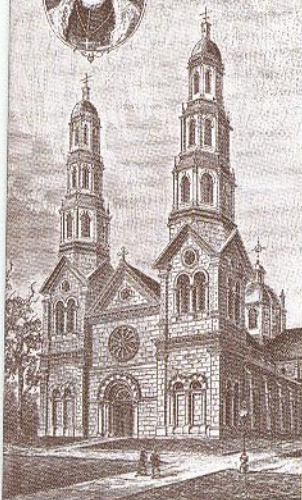

## The Best Guides

Guided by Museum-trained volunteers with a passion for our history and culture. Each has had the benefit of months of training. Experience the enchantment, and come to feel as they do about the city different.

## The Best Tour

Enhance your visit to Santa Fe. You'll be fascinated to learn about our 400 years of history, Santa Fe style architecture, art that makes this one of the largest art centers in the United States, the Manhattan Project, historic churches, and the confluence of many cultures.
