⁵Boxes 1022-1023 seem to be duplicates of the speeches in boxes 1486-1501. The Speech Correspondence in Box 1024, however, is not duplicated elsewhere. Of couse, speeches do not belong here at the end of the Departments section. Nevertheless, this is were they are. There is little way to know at this point how they got here. Perhaps, someday someone will discard them and renumber the boxes and all the folders. (Feb. 8, 1995)
