BAYLOR UNIVERSITY
THE CENTER FOR INTERNATIONAL EDUCATION & THE HONORS COLLEGE
Glennis McCrary Goodrich Scholarship Award for International Research

This award is based on financial need and is designed to advance international undergraduate research at Baylor University and is available to Baylor undergraduate students who establish a need to pursue research outside of the United States for the purpose of advancing or completing for-credit academic work. Applicants must possess excellent academic credentials and submit a letter of recommendation from a Baylor University faculty member. The scholarship award may be used at any time during the fiscal year for which it is awarded (June 1 through May 31 of the following year). Applications will be considered during the spring semester preceding the year for which the awards are made. Ordinarily, awards will not exceed \$3,500. As it is the committee's intent to make as many awards as possible, an applicant's commitment to cover a portion of the related expenses may be considered. **All information provided is strictly confidential and will be released only to members of the scholarship committee.**

Basic requirements for scholarship eligibility:

- * Must be enrolled in Baylor University
- * Must have a cumulative GPA of at least 3.6
- * Must be a full-time student during the scholarship period
- * Must complete a current FAFSA form with Financial Aid Office to be considered for the corresponding academic year (fall, spring, summer) if a current form is not on file

3. Describe how you will make the necessary arrangements.
4. Why do you need to travel to do this work? Why would a library loan or other resources closer to home be insufficient?
5. Is there someone at the institution or locale which you plan to visit who will act as a liaison? If so, whom, and what sort of contact have you had or do you plan to have with this person?
6. What, if any, arrangements must be made to access the documents, materials, or locations you have in mind?
7. What do you expect to gain from this research and how will it enhance your scholarly work at Baylor and beyond?
8. If you are in the University Scholars Program or the Honors Program, how will this research trip relate to your thesis project?
9. As part of what Baylor course will you pursue this project? (Please include the course number.)
10. Which Baylor faculty member(s) will act as your mentor(s)? At least one Baylor faculty member must submit a letter of explanation on the significance and merits of your proposed project.
