

Baylor Collections of Political Materials

REPORT APRIL 2006

STUDENT WORKERS

- ▲ **Michael Anderson** discovered the joy of shredding discarded materials. He also continued to work on the Platt magazine collection.
- ▲ **Grace Chiuri** completed her work on the Platt-JFK materials and began interfiling the Platt Vertical File notebook materials into the Platt Vertical File folders. These files will then be added to Bearcat.
- ▲ **Janna Dotschkal** finished copying all materials from Jack White, made notebooks for the photocopies, and created five notebooks for news clippings donated by Mr. White. She has begun the preliminary inventory for materials received from Alan Steelman.
- ▲ **Flor Hernandez** worked her way through the personal papers section of Jack Hightower's papers combining materials from several sources. She also compiled a Hightower bio notebook for research and quick reference.
- ▲ **Julia Howard** continued to work on cleanup work on the Platt papers, especially the combined list and labeling the boxes before she graduates
- ▲ **Kristine Harveaux-Lundeen** completed the preliminary inventory for the latest addition to the Penn Jones papers from his son and then began integrating these materials into the existing papers.
- ▲ **Michael Holdridge** continued to update web pages. He added lists of JFK materials from Jack White and JFK Lancer and began working on a card file in the Penn Jones papers:
Jack White web page:

- ▲ **Michael Koski** continued to scan 9-11 newspapers and began scanning selected papers from the Hightower scrapbooks. He also had time to scan the Penn Jones card file and copy CDs of the John Kelin materials.
- ▲ **Maycie Mayfield** completed three oversize collages for the Hightower exhibit and then created a birthday windmill for Hightower's 80th birthday.
- ▲ **Todd Pagitt** completed writing processing procedures for the Hightower papers to be used by future student workers after he graduates. Todd has worked very hard on the Hightower papers for the past three years.
- ▲ **Chen Yao** worked digitizing cassette tapes about the JFK assassination received from John Kelin in Colorado. She converted the tapes to MP3 files and burned them to a CD.

STUDENTS ON THE MOVE

- ▲ **Julia Howard** will receive her masters in social work and hopes to work with Russian immigrants in Philadelphia.
- ▲ **Maycie Mayfield** will receive her degree in neuroscience and will begin work on her master's in neuroscience at UNT Health Science Center in Fort Worth in May. She also plans to be married in July. She will be applying to medical school next year.
- ▲ **Todd Pagitt** will receive his degree with a double-major in Marketing and Management and hopes to work with a major builder in the DFW area.
- ▲ **Chen Yao** will receive her masters in economics. After a summer internship with the Tax Foundation in Washington, she plans to teach economics at Yonok College in Thailand. After that she hopes to return to the United States to earn a PhD in Public Policy or Finance.

BULLOCK ARCHIVE

The Bullock Archive will be loaning Bullock items to the museum at the George Bush Presidential Library in College Station for an exhibit titled, "100 Tall Texans." This exhibit will run September 30, 2006 through March 18, 2007. Some other "tall Texans" and items tentatively included in the exhibit are an Apollo mission space suit from Neil Armstrong, a race car from A.J. Foyt, two title belts from George Foreman and a silver saddle from Charles Goodnight.
