EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

Baylor University is firmly committed to Equal Employment Opportunity (EEO) and to compliance with all applicable Federal, State and local laws that prohibit employment discrimination on the basis of age, race, color, gender, national origin, religion, disability, protected veteran status and other protected classifications. This policy applies to all employment decisions including, but not limited to, recruiting, hiring, training, promotions, pay practices, benefits, disciplinary actions and terminations.

As a government contractor, Baylor University is also committed to taking affirmative action to hire and advance minorities and women as well as qualified individuals with disabilities and covered veterans.

We invite employees who are disabled or protected veterans and who wish to be included under our Affirmative Action Program to self-identify as such with the EEO Coordinator. This self-identification is strictly voluntary and confidential and will not result in retaliation of any sort.

Employees of and applicants to Baylor University will not be subject to harassment, intimidation, threats, coercion, or discrimination because they have engaged or may engage in filing a complaint, assisting in a review, investigation, or hearing or have otherwise sought to obtain their legal rights related to any Federal, State, or local law regarding EEO for qualified individuals with disabilities or qualified protected veterans.

As Chief Financial Officer and Senior Vice President of Operations of Baylor University, I am committed to the principles of Affirmative Action and Equal Employment Opportunity. In order to ensure dissemination and implementation of equal employment opportunity and affirmative action throughout all levels of the university, I have selected Shirl Brown, Manager of EEO and Inclusion, as the EEO Coordinator for Baylor University. One of the EEO Coordinator’s duties will be to establish and maintain an internal audit and reporting system to allow for effective measurement of the university’s programs.

In furtherance of Baylor University’s policy regarding Affirmative Action and Equal Employment Opportunity, Baylor University has developed a written Affirmative Action Program which sets forth the policies, practices and procedures which the university is committed to applying in order to ensure that its policy of non-discrimination and affirmative action for qualified individuals with disabilities and qualified protected veterans is accomplished. This Affirmative Action Program for qualified individuals with disabilities and qualified protected veterans is available for inspection by any employee or applicant for employment upon request, between 8:30 AM - 4:30 PM at the Human Resources department. Any questions should be directed to me, your supervisor, or Shirl Brown, EEO Coordinator.
