Intent to Pursue the Leadership Designation

Name: __________________________________________

Student I.D. Number: __________________________

Phone: _________________________________________

Email: _________________________________________

Expected Graduation Date: _______________________

Quarter entered Law School: _______________________

________________________________________________________________

I plan to graduate having completed the requirements for the Leadership Development Program. I am aware of the requirements which must be met in order to graduate as a Leadership Scholar, and have discussed the requirements with Associate Dean Leah Teague.

Student Signature _______________________________ Date _________________

I have discussed the requirements of the area of concentration indicated above with the above named student.

Dean Teague _______________________________ Date _________________

Internship or Externship Schedule: _______________________________________

(Quarter expecting to take Internship or Externship)
Requirements:

1. Leadership Development Course

2. Ropes Challenge Course (if other personal development and team building course completed, please specify)

3. 23 Hours of Professional Development programming. Of the 23, at least 5 hours must be designated as Leadership Development programming. (provide documentation of programs attended)

4. Served as an officer of a Baylor Law School student organization for a minimum of three quarters. While serving as an officer, I performed a minimum of 25 hours of service related to the activities of the organization. (provide documentation, form available on Leadership Development Program website)

5. 25 Hours of Community Service (includes pro bono work, provided documentation, form available on Leadership Development Program website)

6. Served as an intern for a charitable or community organization's director or management team, working a minimum of 45 hours. Alternatively, a student can work as an extern for a legislator (either state or federal level) for a minimum of 45 hours. (provide documentation)

Once you have completed all the requirements for the program, fill out the Application for Designation as a Leadership Scholar, available on Leadership Development Program website. Please contact Dean Leah Teague or Stephen Rispoli if you have questions.
