

BAYLOR UNIVERSITY WOMEN'S COUNCIL OF DALLAS

The purpose of the Baylor University Women's Council of Dallas is to support Baylor University by promoting fellowship among Baylor-related women in the Dallas area and by assisting Baylor through gifts to the school and through scholarship grants to Baylor students from the Dallas area.

BUWC of Dallas was started in 1987 and since our inception, we have raised more than \$560,000 for our scholarship fund and assisted more than 94 Dallas-area Baylor students.

BUWC of Dallas is also part of the larger Baylor Women's Network family that includes 12 chapters across the United States. We hope you will join our Dallas group and make meaningful Baylor connections with friends through various opportunities this year. If you have questions, please contact our Baylor Women's Network representative, Mandy Anderson.
