

**BAYLOR UNIVERSITY  
FINAL EXAM SCHEDULE  
FALL 2016**

*This schedule is subject to change.*  
**Study Days – No Classes or Exams**

Tuesday, December 6, 2016  
Wednesday, December 7, 2016

**Non-Standard Section Meetings**

If a section with a non-standard meeting pattern meets during, or overlaps, a standard meeting pattern (found in section III), the non-standard section exam time should be scheduled during the standard exam time (i.e. M 12:20 non-standard pattern should schedule the exam with the MWF 12:20 exam time). Instructors should verify that there are no room conflicts with other sections with non-standard meeting patterns, using the same room at a corresponding meeting pattern, during the semester (i.e. M 12:20 non-standard time and W 12:20 non-standard time, both would rely on the room during the MWF 12:20 exam meeting).

If the section does not meet during a standard meeting pattern, or if there is a conflict with the exam offering, the exam time should be scheduled by the instructor in consultation with the department chair, building/department scheduler, and students. For additional assistance, please contact the Office of the Registrar. (The only time during the Final Exam period with no scheduled Final is Saturday, December 10, 7:00 – 9:00 p.m.)
