Step 1: Begin to explore professional career interests

- Schedule an appointment with the Career Counseling Center at www.baylor.edu/careercounseling/
- Contact the Baylor School of Social Work at swo@baylor.edu or (254) 710-4484 to learn more about the major
- Take a tour of the Paul L. Foster Success Center
- Visit the School of Social Work prospective student links on our website at www.baylor.edu/social_work/ to learn more about the profession and future careers/jobs
- Begin to think about the perfect job and environment that best fits your personality, interest, values and skills

Step 2: Become Active!

- Follow the Baylor School of Social Work on facebook
- Set up an appointment by email or phone to visit with the School of Social Work recruitment office and/or current students. The School is now located in Downtown, Waco
- Visit a social work class and/or meet with a professor who has similar interest
- Explore opportunities to shadow a social worker
- Volunteer around your community to gain work experience
- Attend a school of social work event to meet current students
