Are you passionate about helping others?
Do you thrive on seeing people improve the quality of their lives?
Community Healthcore has been proudly providing mental health and behavioral health services to North East Texas residents for over 40 years. It is our honor and privilege to serve our communities that we call home.
Community Healthcore’s mission is: Helping People Achieve Dignity, Independence and Their Dreams.
In this position you will deliver skills based training services, in an outpatient setting, to youth ages 0-17 and their families.

- Provides referral, screening, intake, outreach, counseling, skills-based training, development of individual action plan, advocacy training, and crisis intervention in individual, family and group settings.
- Provides screening and intake for youth admitted to residential youth shelter services, and as needed, will provide services listed above after discharge.
- Provides adjunctive services including collaboration with other providers/agencies.
- Applies and teaches effective counseling skills inclusive of those utilizing behavioral management techniques based upon family systems theory.
- Caseworker participates in on-call rotation of night/weekend/holiday coverage to insure crisis intervention/shelter care is available

Benefits

- Health Insurance
- Life Insurance
- Long Term Disability Insurance
