

Agency Name	Mission Waco/Mission World
Job Title	case manager
Job Description (including hours and responsibilities)	Mission Waco and the Ark (a housing program of Mission Waco) are looking to hire a case manager to help with the care of our residents. The job does not require a social work degree, but you do need some prior experience. The job would entail helping residents that need to apply for assistance like home health care and food stamps, as well as checking in with residents to make sure that they are in good health, that they are meeting their goals, and that they are in compliance with program requirements. The job would be part time, and/or could possibly include housing (1 bedroom apartment).
Job Location	Waco
Qualifications	Prior experience, some social work education preferred. Undergraduate degree (not necessarily in Social work) preferred.
