

Are you looking for an exciting opportunity? We invite you to join the Phoenix House team in Austin! We are in the process of our greatest transformation in our company's 50 years of operation. If you are looking for a company with a new approach to treatment then this could be the opportunity for you!

Phoenix House is a leading non-profit treatment center who provides individualized, holistic drug and alcohol addiction treatment with over 130 programs across ten states. As we embark on our 50 year anniversary, we are committed to treating the whole person — and their families — with caring, qualified professionals through evidence-based care to teens, adults, and families.

We are currently seeking a community support specialist to provide youth client supervision and to ensure compliance with program schedule during waking and sleeping hours. Phoenix House, the nation's leading non-profit substance abuse service provider, offer substance abuse services to the Dallas, Austin and the Houston/Galveston Bay communities that offer a continuum of care including community coalition mobilization, prevention education, residential and outpatient treatment, day treatment, aftercare and family support services. Phoenix House offers a competitive compensation packages as well a full range of attractive company sponsored health, welfare, and retirement benefits.
