The Baylor Autism Resource Center (BARC) invites you to join us in growing our programs to serve children with special needs in Central Texas. The BARC has created a wish list to share, so that as a community we can further the growth of our children at the center.

How You Can Help:
The BARC is asking parents, friends, and other community members to consider donating new or gently used items. Specific needs can be found on The Giving Tree, but we also take donations that are not listed.

How to Donate:
All items can be dropped off at the BARC. Contact BARC Coordinator Kristen Mainor to schedule a time.

Contact:
If you need more information or would like to schedule time to drop off a donation, please contact BARC Coordinator Kristen Mainor by phone at (254) 710-6222 or email Kristen_Mainor@Baylor.edu.
