Tips for a Successful Recruitment:

- Attend the Recruitment Orientation in September and November
- “Like” Baylor Panhellenic on Facebook and follow Baylor Panhellenic on Twitter and Instagram
- Become familiar with the Greek Life website on how to join and Panhellenic resources
- Listen to what the Panhellenic Council and Greek Life staff tells you at the assemblies and orientations. If it’s said – it’s important!
- Attend as many “SUB” Mixers as possible to get to know the different sororities. Information will be posted on Facebook in August
- Keep an OPEN MIND!!
- Only wanting one or two sororities may leave you disappointed
- Recruitment is a mutual selection process – you choose and the sororities choose
- You select the sorority parties you want to attend and then rank any groups you have remaining. IMPORTANT – you are never “cutting” any sorority. Your last choice may be on your invitation list
- Grades are IMPORTANT! All sororities abide by the 2.75 Cumulative GPA and 12 completed Baylor hours
- Attend sorority all-university events in the fall
- Attend the Panhellenic Previews in the fall
- Recommendations are important!
- Meet as many sorority women as you can
- Be careful how much importance you place on “insider information” from current sorority women. Relying on that information may leave you disappointed when you don’t receive an invitation to parties or a bid that that particular sorority
