Joint Fall Meeting 2004

TSAPS • AAPT • SPS – Zone 13

October 7-9, 2004

Join us as Baylor University hosts the **Joint Fall Meeting of the Texas Sections of the American Physical Society (APS), American Association of Physics Teachers (AAPT) and Society of Physics Students - Zone 13**. We invite your company or organization to participate in this conference and to display your products and services to over 250 Texas and surrounding area researchers, teachers, students and participants. The conference is scheduled for Thursday - Saturday, October 7-9, 2004 within the newly completed Baylor Sciences Building, 101 Bagby Avenue on the Baylor campus.

While this is a general meeting, special emphasis will be placed on Physics in Industry. The Forum on Industrial and Applied Physics (FIAP), a cross-disciplinary grouping of the APS specializing in industrial and applied applications for physics, will sponsor many of Friday's events.

Vendors are invited to display products and services on Friday October 8th. Friday's scheduled plenary sessions, poster presentations and other discussions will include timely information on nanometer scale biotechnologies, laser physics, advanced materials for the semiconductor industry, medicinal physics, and early universe cosmology.

For up to date information and other meeting details visit the University TSAPS Meeting website at www.baylor.edu/tsaps.
