Set on more than 1,000 acres in Central Texas, Baylor’s beautiful campus features historic architecture blended with state-of-the-art facilities.
Baylor is believed to have the nation’s oldest and largest Homecoming celebration. Students and alumni enjoy events such as a bonfire, parade, Pigskin Revue and more.

New Baylor Bears enjoy opportunities to connect with other incoming and returning students.

Each week since 1953, campus has come together to socialize and enjoy Dr Pepper floats during Dr Pepper Hour.

Student groups compete for bragging rights in this annual Broadway-style music and dance show.

A joyful celebration that includes an annual tree lighting, caroling, a live nativity scene and special musical guests.

Since 1934, students have been given a day off in Spring to enjoy the outdoors. Diadeloso, or “Day of the Bear” features athletic tournaments, activities, live music and more.
Baylor is a charter member of the Big 12 Conference. This means you can enjoy the excitement of Division 1 athletics. Not quite at that level of play yourself? Baylor also offers competitive and recreational sports through club and intramural groups.

INVESTMENT

At Baylor, we want every student to be able to achieve his or her dream of earning a high-quality education. We are committed to helping make that happen, no matter your financial background.

OPTION 1: ACADEMIC SCHOLARSHIPS

Your cumulative transfer GPA determines your eligibility for a Baylor academic scholarship. No additional application is required. We will review your application file for eligibility when you apply. To see what amount of scholarship you may qualify for, use our Scholarship and Cost Estimator at baylor.edu/estimator.

OPTION 2: FEDERAL & STATE AID

The Free Application for Federal Student Aid (FAFSA) is the application you must submit each year to determine your eligibility for need-based aid from the government. Do not assume that you will or will not qualify for need-based aid based on your family income alone. Plan to complete the FAFSA beginning October 1 at fafsa.ed.gov.

THE FAFSA WILL DETERMINE YOUR ELIGIBILITY FOR THESE PROGRAMS:

- GRANTS: Includes Pell, Supplemental Educational Opportunity and Tuition Equalization grants.
- EDUCATIONAL LOANS: Includes Direct Subsidized/Unsubsidized Loans, Direct Parent PLUS Loans and Alternative Loans.
- FEDERAL WORK STUDY (FWS): Eligible students have priority the first 3 weeks of the fall semester to find a campus job. Students who do not qualify for FWS can apply for jobs after this priority period.

OPTION 3: INSTITUTIONAL NEED-BASED AID

If you are interested in applying for need-based aid from the University, you must submit the CSS Profile. Baylor uses the CSS Profile to determine demonstrated financial need for the University’s need-based grant and scholarship programs. Plan to complete the CSS Profile beginning on October 1 at cssprofile.collegeboard.org.

OPTION 4: SPECIALTY BAYLOR AWARDS

Baylor offers a variety of “specialty” scholarships for students who meet specific qualifications (i.e., leadership, academic, extracurricular activities, denomination, legacy status, athletics, military, housing choice). You can learn more about these awards at baylor.edu/typesofaid.

OPTION 5: OUTSIDE SCHOLARSHIPS

We recommend you apply for as many outside/private scholarships as possible. These might include scholarships offered by local businesses or service/religious organizations.

OPTION 6: INSTALLMENT PAYMENT PLANS

Baylor offers an installment plan that allows you to pay your out-of-pocket cost each semester in five monthly payments. You can learn more about this option at baylor.edu/sfs/installment.

ESTIMATE AID

Use our Scholarship and Cost Estimator at baylor.edu/estimator to see what aid you may be eligible for when you apply to Baylor. Provide your GPA and number of credit hours to discover scholarship eligibility and how to increase your scholarship amount.

Phi Theta Kappa members are eligible for an additional $1,000 per academic year. Renewal is contingent on maintaining a specified Baylor cumulative GPA.

OPTION 2: FEDERAL & STATE AID

The Free Application for Federal Student Aid (FAFSA) is the application you must submit each year to determine your eligibility for need-based aid from the government. Do not assume that you will or will not qualify for need-based aid based on your family income alone. Plan to complete the FAFSA beginning October 1 at fafsa.ed.gov.

THE FAFSA WILL DETERMINE YOUR ELIGIBILITY FOR THESE PROGRAMS:

- GRANTS: Includes Pell, Supplemental Educational Opportunity and Tuition Equalization grants.
- EDUCATIONAL LOANS: Includes Direct Subsidized/Unsubsidized Loans, Direct Parent PLUS Loans and Alternative Loans.
- FEDERAL WORK STUDY (FWS): Eligible students have priority the first 3 weeks of the fall semester to find a campus job. Students who do not qualify for FWS can apply for jobs after this priority period.

OPTION 3: INSTITUTIONAL NEED-BASED AID

If you are interested in applying for need-based aid from the University, you must submit the CSS Profile. Baylor uses the CSS Profile to determine demonstrated financial need for the University’s need-based grant and scholarship programs. Plan to complete the CSS Profile beginning on October 1 at cssprofile.collegeboard.org.

OPTION 4: SPECIALTY BAYLOR AWARDS

Baylor offers a variety of “specialty” scholarships for students who meet specific qualifications (i.e., leadership, academic, extracurricular activities, denomination, legacy status, athletics, military, housing choice). You can learn more about these awards at baylor.edu/typesofaid.

OPTION 5: OUTSIDE SCHOLARSHIPS

We recommend you apply for as many outside/private scholarships as possible. These might include scholarships offered by local businesses or service/religious organizations.

OPTION 6: INSTALLMENT PAYMENT PLANS

Baylor offers an installment plan that allows you to pay your out-of-pocket cost each semester in five monthly payments. You can learn more about this option at baylor.edu/sfs/installment.

ESTIMATE AID

Use our Scholarship and Cost Estimator at baylor.edu/estimator to see what aid you may be eligible for when you apply to Baylor. Provide your GPA and number of credit hours to discover scholarship eligibility and how to increase your scholarship amount.
