

Can Music Literacy Be Caught? The Value of Rote-to-Note Teaching

**Dr. Heather Potter
Alleluia Conference
Baylor University
July 2016**

Can children with limited previous exposure catch music literacy through the actions and processed of music performance and preparation?

What is Rote-to-Note Teaching?

Skills/ Concepts That May Be Introduced Through Rote-to-Note Teaching

- **Rhythm Reading/ Identification**
- **Identifying and Labeling Musical Form**
- **Navigating the Musical Score**
- **Transferring Solfege Patterns From Ear to Eye**

Skills/ Concepts That May Be Introduced Through Rote-to-Note Teaching, cont.

- **Identifying Melodic Patterns**
- **Improving Listening Skills**
- **Identifying Musical Phrasing**
- **Focusing Attention on Text**
- **Modeling Vocal Tone**

Things to Consider as You Plan Your Teaching Strategy

- 1. Avoid giving too much information**
- 2. Every song is different; be creative!**
- 3. Consider how your initial presentation will lead you into the remainder of the piece**
