**THE OFFICIAL BAYLOR
RING TRADITION**

Do you remember the feeling you had the first time you stepped foot on campus? Your first game day, with the spirited Baylor Line and a sea of green and gold? The first time you saw Pat Neff Hall illuminated? The road to graduation began with these Baylor memories. What may have seemed like just a moment in time is cause for celebration and, all too soon, a happy memory.

Baylor University's legacy encompasses over 175 years of meaningful traditions. The Official Baylor Ring is a tangible symbol of our university's rich heritage, and a lifelong emblem marking your incredible achievements and uniting you with Baylor alumni of the past, present and future. Baylor alumni and undergraduate students who have achieved 75 or more credit hours, and graduate students who have completed 18 hours toward their degree are eligible to order the Official Baylor Ring.

You have earned the right to wear this ring by your hard work and perseverance. While still a student, wearing the ring declares your determination to finish your course of study. When you leave the campus community, the ring makes a proud statement that you are a member of the Baylor Alumni family, united for Baylor.
