Notes about major requirements:

- This is a Degree Requirement Guide. It provides a general understanding of how the courses that fulfill a BSAS degree may be taken during your time at Baylor. Because the Aviation Administration major will differ from the other BSAS concentrations, it is important that you refer to your degree audit and catalog for the specific requirements for that major. In addition, it is imperative that you meet with your assigned advisor each semester to make sure you are fulfilling all requirements for a timely graduation.
All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000-4000 level.
- **Core - Common Course:** These are common courses that are part of the general education requirements for all College of Arts and Sciences (A&S) degrees. All students in A&S must fulfill these requirements. Those areas within the Core that may require multiple semesters are indicated above. The 1000-level Core courses should be taken in the freshman or sophomore years and 2000-level Core courses should typically be taken in the sophomore year or later. Please refer to your degree audit or catalog for a full listing of courses. Please see your assigned advisor for a more detailed explanation.
- **Core - Distribution Lists (DL):** This portion of the A&S Core curriculum includes 9 separate sections with over 200 courses from which to choose. You must complete the specific requirements of each section. Those areas within the DLs that may require multiple semesters are indicated above. Please refer to your degree audit or catalog for a full listing of courses. Please see your assigned advisor for a more detailed explanation. **NOTE:** Two of the DL sections (Scientific Method I & II) are covered by science classes that are required under the BSAS degree. Please see your assigned advisor for more details.
- ***Core - Creative Arts Experience (CAE):** You must attend 12 approved CAE events as part of your general education requirements. You are encouraged to attend at least 2 approved CAE events per semester (or 4 within one academic year) in order to fulfill this requirement in a timely manner. Please see your assigned advisor for more information.
- ****Core - Foreign Language:** The hours to complete your foreign language requirement may differ depending on which of the three options you choose from the DL or if you test into a higher level of language from the beginning. The hours could range from 8-12 hours. Please see your assigned advisor for more information.
- **Major Course:** These are the courses that are required for your major. Refer to the catalog or your degree audit for the exact number of hours required for your chosen major(s). The hours for each major may vary slightly. It will be critical that you work with your assigned academic advisor to understand the sequencing of these major courses.
- **Major (required courses in other fields):** These are courses that are required for your major, but are not in your major department. Please refer to your degree audit or catalog for a full listing of courses. Please see your assigned advisor for a more detailed explanation.
