All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.

Notes about major requirements:

- The combination of courses for this degree program prepares students for careers in preschool programs and with agencies and institutions whose focus is on children and families.
- FCS 2354 and 2355 are out of order; 2355 will be a prerequisite for 2354 and 3357.
- FCS Electives: 4340 (Resource Management), 4356 (Families in Global Perspective), 4363 (Adolescent Development), 4v93 (varies semester to semester - see course listings for updates).
- It is recommended that students take CHE 1405 before FCS 2351.
- It is recommended that students take ENG 3300 their junior year rather than ENG 1304. Students may also take ENG 1118, 1128, and 1138 instead of ENG 1304.
- A grade of "C" or better in all family and consumer sciences courses used for the major and a "C" average in courses taken outside the department.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see page 88 of the undergraduate catalog.

Please see reverse side for important information on general requirements.

Notes about General Requirements:

- Course selection is subject to availability within each semester.
- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health) and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see undergraduate catalog pages 62-65.
