*All students must graduate with a minimum of 124 hours,  
36 of which must be at the 3000/4000 level.*

#### **Notes about major requirements:**

- The curriculum in the Nutrition Sciences program is currently granted status by the Commission on Accreditation for Dietetics Education of The American Dietetics Association. Successful completion of the Nutrition Sciences program, Baylor University graduation requirements, an accredited internship, and other ADA requirements qualifies the student to take the ADA examination to become a Registered Dietitian and member of the American Dietetic Association.
- English requirement: Students are allowed to take either ENG 1304 or FAS 1118, 1128, and 1138. Students majoring in the sciences may take ENG 3300 instead of ENG 1304.
- A grade of "C" or better in all family and consumer sciences courses used for the major and a "C" average in courses taken outside the department.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see pages 91-92 of the undergraduate catalog.

**Please see reverse side for important information on general requirements.**

**Notes about General Requirements:**

- Course selection is subject to availability within each semester.
- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health) and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see undergraduate catalog pages 62-65.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
