AOD 1 – Improving Campus Event Coordination/Promotion

Year 4 Accomplishments

- In August 2017 the job description of the Development Coordinator was revised to include the job function of creating an enhanced calendar to improve coordination and publicity of A&S-wide events. With the help of the A&S Director of Technology, the calendar was set up and is being updated and maintained by the Development Coordinator.
- This Act of Determination is completed and will be maintained annually.
AOD 2 – Improve Waco/Central Texas Community Outreach

Year 4 Accomplishments

- The accomplishments related to this goal were made possible by the adoption of the Unified Core Curriculum, which was approved by the Council of Chairs in October 2017 and which received final approval from the Provost’s Office in May 2018. The 1-hour Civic Engagement Seminar received provisional approval in order to ensure adequate time to study the feasibility of this course based on the number of logistical issues required for implementation.
  - In Spring 2018, the Dean’s Office appointed a subcommittee of the Core Curriculum Advisory Committee, which was tasked with assessing the feasibility of implementing the Civic Engagement Seminar.
  - In Spring 2018, the Dean’s Office appointed a Civic Engagement Consultation Team to serve as a resource for the Civic Engagement Subcommittee of the CCAC. This team is comprised of representatives from the Dean’s Office, faculty, Student Life, and External Affairs.
  - With the implementation of the Office of Engaged Learning and the leadership of the Associate Dean for Undergraduate Studies, Student Success Management, this Act of Determination will be incorporated into the Arts & Sciences response to Illuminate, specifically the second Pillar, Transformational Undergraduate Education.

AOD 3 – Engaging with University Efforts on Global Education

- This AOD is completed and will be maintained annually. Further developments will be incorporated into the Arts & Sciences response to Illuminate, specifically the second Pillar, Transformational Undergraduate Education, and proposals related to the Signature Academic Initiative, Baylor in Latin America.
