#Note Pre-requisites in catalog

*All students must graduate with a minimum of 124 hours,  
36 of which must be at the 3000/4000 level.*

#### Notes about major requirements:

- The student who pursues the anthropology major will be prepared to enter graduate study with sufficient training in basic areas of anthropology. It is suggested that the student take additional courses in related social, biological, and behavioral sciences.
  - ANT Subfields: The student must complete a minimum of three upper level (3000-4000) semester hrs in ANT from each of the following subfields: Cultural Anthropology, Archaeology, and Biological Anthropology. See your degree audit for course offerings in each subfield.
  - ANT Electives: The student must complete at least twelve semester hours of ANT electives, at least nine of which must be at the 3000-4000 level. ANT 1305 is recommended here as well. \*Note: ANT 4670, 4680, or 4690 (field school) may count as 6 hours of advanced ANT electives. Field school must be completed during either the first or second summer session; it is recommended that a student complete field school in the summer between junior and senior years.
- ALEXs placement exams are used by the Baylor Math Department for placement in MTH 1320 and MTH 1321. Please refer to the Math Department website for full instructions on the exam process.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
  - For more information, see the undergraduate catalog.
- \*Because of the number of electives, there is enough room for a minor with this major.
