– LING 3310 is the desired gateway course to the major or minor and should be taken in the spring of sophomore year, if possible. Prior to taking LING 3310 students must have completed at least one of ENG 2301 or 2304/2306 or their equivalent (BIC 1324).

– Due to scheduling limitations, many Linguistics courses are offered only one semester per year. Students need to plan ahead to avoid scheduling difficulties.

1. While LING 3310 is offered fall and spring; LING 4303 is offered only in fall and LING 4302 and 4305 are offered only in the Spring.

2. LING 4316 is offered every fall and LING 3315 is offered in the spring. Other electives may vary in the frequency and semester in which they are offered.
