All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.

Notes:

- Minimum requirement: 124 semester hours. Some programs may exceed this minimum.
 - Residence requirement: minimum sixty semester hours including the last thirty hours. After matriculation, a student may transfer a maximum of fifteen semester hours to Baylor.
 - Grade point average: minimum of 2.00 ("C") overall and also in the major and minor for work at Baylor. Some departments require a "C" or better in every course applying to the major or minor.
 - Chapel: Students entering as freshmen or who transfer as freshmen or sophomores are required to attend two semesters of Chapel. Students who transfer to Baylor and are classified as juniors or seniors must attend one semester of Chapel.
 - Major: One required, others if available on the same degree may be elected. The policy of the College of Arts & Sciences is that any course that is cross-listed or common in multiple majors may be counted toward only one major. A student seeking more than one major must complete all credit hour requirements for each major independent of the other major(s).
 - Minor: Optional, may elect one or more minors. No more than three hours of the major may be applied to the minor.
- ALEXs placement exams are used by the Baylor Math Department for placement in MTH 1320 and MTH 1321. Please refer to the Math Department website for full instructions on the exam process.
- Electives: Number of electives and advanced electives will vary depending on major, minor, degree, etc.
 - Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
