_____	4	PSY (Group B, see below)	_____
_____	3	Advanced Elective	_____
_____	3	CHE 1302 or MTH 2321	_____
Total:	16		Total: 13

All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.

Notes about major requirements:

– **Important Note:** A student who earns a D or F in a PSY or NSC course may repeat the course. However, a student earning a second D or F in the same, or in a subsequent PSY or NSC course will not be eligible to continue in the Psychology or Neuroscience major. The student may, however, be eligible to continue studies in another major in the University. Students who believe they have individual circumstances warranting an exception to these grade minimums and failure policies may appeal to the department chair.

Pre-Major - All students are admitted as a Pre-PSY major. Students may apply to be admitted into the PSY major when they have achieved certain requirements. Please see your catalog for those requirements.

– Choose 3 courses from Group A: PSY 3314, 3318, 3350, 4395, 3310 or 3425, and no more than two of 3308, 3330, and 4327.

– Choose one course and its lab from Group B: PSY/NSC 3311-3111, 3319-3119, 3320-3120, 3323-3123, 4330-4130.

– Choose one course from Group C: PSY 3355, 3360, 3380, 3399, 3406, 4302, 4329, 4339, 4355; 4380; PSY/NSC 3355, 4312, 4317, 4324, 4V96.

– A grade of "C" or better in psychology and/or neuroscience courses used for the major. A grade of "C" or better is also required for all of the non-Psychology/non-Neuroscience classes included as part of the major requirements. See the audit or undergraduate catalog for a list of these courses.

– Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.

– For more information, see the undergraduate catalog.
