Statistics: Choose one: MTH 1322 Calculus II; STA 1380 Elementary Statistics; STA 2381 Statistics for Biomedical Science; STA 3381 Statistical Methods; PSY 2402 Statistics; SOC 3402 Social Statistics

Restricted Electives: Choose 9-10 (**Bold=Highly Recommended**) BIO 3429 Chordate Anatomy; BIO 4320 Pathophysiology (*Pre-requisite grade of C in BIO 3322/3122); BIO 4301 Immunology; BIO 4302/4301 Gen Microbiology; **CLA 3381 Medical Terminology**; ECO 4350 Economics of Health/Med Care; ENT 3315 Starting a Business; HP 3311 Essentials of Healthcare Ethics; HP 3330 Research Methods; MKT 3301 Principles of Marketing; PUBH 3320 Stress Management; PUBH 3325 Maternal and Infant Health; PUBH 3351 Epidemiology; PUBH 4321 Human Sexuality; PUBH 4340 Global Health

Professional Field Experience: HP 4V79 Internship in Human Performance. **Must have 60 hrs earned and attend mandatory internship meeting one year prior to field experience. Internships for academic credit must be approved by program director and comply with University policy.** First Aid and CPR certifications are strongly recommended for field experience. The internship may be 3-6 credit hours.

GPA Requirement: To declare the HSS major as an entering student or transfer, students must be eligible to register for both BIO 1305 and 1105 and CHE 1301 and 1101 or have completed these courses. Students who wish to change their major to Health Science Studies after completing coursework at Baylor must be eligible to register for the courses above as well as has a cumulative GPA of 3.2. Students whose cumulative GPA falls below the minimum requirement in any semester will be placed on probation for one semester. Students whose cumulative GPA falls below the required minimum for their track for a second consecutive semester must select another major or alternative track for which they do have the cumulative GPA.

Students not meeting criteria for admission to the major are encouraged to enroll in the Pre-HSS program which will allow them to be advised, counseled, and tracked by the RCHHS Advising Office. From within this program, students who demonstrate ability to meet GPA and course readiness requirements may transition into the Health Science Studies major. Students may not stay in the Pre-HSS program once they have 30 hrs at Baylor. If a student has completed 30 hrs and still does not meet the criteria for admission to the HSS major, they will have to choose another major.

Students transferring from other Baylor majors with 60 or more hours completed must have a 3.2 cumulative GPA to enter the program. Students whose GPA falls below the minimum requirement in any semester will be placed on probation for one semester. If the GPA falls below the required minimum a second semester, the student must select another major.
