Statistics: Choose one: STA 1380 Elementary Statistics; STA 2381 Statistics for Biomedical Science; STA 3381 Statistical Methods; PSY 2402 Statistics; SOC 3402 Social Statistics

Students not meeting criteria for admission to the major are encouraged to enroll in the Pre-Health Science Studies program which will allow them to be advised, counseled, and tracked by the RCHHS Advising Office. From within this program, students who demonstrate ability to meet GPA and course readiness requirements may transition into the Health Science Studies major. **Students are expected to matriculate into the Health Science Studies major within completion of 30 hours at Baylor.** Students not meeting the criteria for admission to the Health Science Studies major within that time frame must select another major.

To declare the Health Science Studies major: students must make a B or better in MTH 1320 and complete a chemistry placement test (ALEXS) with a sufficient score of 85%. In addition, students must be eligible to register for both BIO 1305/1105 and CHE 1301/1101 or have completed these courses. In addition, students must meet GPA requirements to enter the program based on the number of hours completed at Baylor (see below).

Hours Completed at Baylor:

0-12 Must be eligible for BIO 1305/1101 and CHE 1301/1101 or have completed these courses.

12-45 Must have a cumulative GPA of 3.3 in all Baylor classes and be eligible to register for, or have completed BIO 1305/1105 and CHE 1301/1101.

46-finish Must have a cumulative GPA of 3.2 in all Baylor courses and be eligible to register for, or have completed BIO 1305/1105 and CHE
