

Welcome

Jack G. and Norma Jean Folmar Research Fund Application

The Folmar Research Grant provides up to \$1000 in support of undergraduate research in biology.

This application requires a Project Summary, Budget, Research Mentor's name for Letter of Support, unofficial transcript, and short answers to questions concerning your experience and motivation for doing research.

Important Information:

- If you or your research mentor have previously received a Folmar Award, a project summary must be on file with the Department of Biology in order for you to be eligible for additional funding. Contact [Dr. Adair](#) for more information if this applies to you or your research mentor.
- This award may **not** be used for travel to scientific meetings or for the cost of publication. Incomplete applications will not be evaluated.

The Deadline for Submission is Friday, March 27, 2020 at 5:00 pm.

Applicant Contact Information

First Name

Last Name

Baylor ID Number

Campus Mailing Address

Applicant Academic Information

What is your major?

- Biology
- University Scholars
- Chem/Biochem
- Other (please specify)

Classification as of June 1, 2020.

- Freshman (0-29 semester hours)

- Sophomore (30-44 semester hours)
- Junior (45-59 semester hours)
- Senior (60 or more semester hours)

What is your current overall GPA?

- 3.7-4.0
- 3.5-3.69
- 3.0-3.49
- 2.5-2.99
- below 2.5

What is your current Biology GPA?

- 3.7-4.0
- 3.5-3.69
- 3.0-3.49
- 2.5-2.99
- below 2.5

Please provide a copy of your unofficial transcript by uploading a pdf copy using the link below.

Research Mentor

Who is your research mentor?

Provide the name of your research mentor and please have your research mentor e-mail a letter of support to tamarah_adair@baylor.edu

in order to provide sufficient information to show the review committee that he/she is in support of the project.

Letters are due by the same date as the application.

If your project requires IACUC or IRB approval, please explain why and whether or not these approvals have been granted.

Research Proposal

Project Summary: Please provide a summary of the research that this award will support.

Title of the Project:

Introduction/Background/Purpose/Relevance: Please provide a short synopsis of the area of research and how your project fits in to the bigger scientific picture.

Methods: Briefly describe the types of protocols that you will use in your research and an explanation of how the results will be analyzed.

Word limit- ~ 500 words

Budget: Provide a list of supplies or services, the vendor, the cost, and a brief justification for the use of funds. The total can not be over \$1000.

Relevant literature: Provide at least 3 citations to the scientific literature that informs your research.

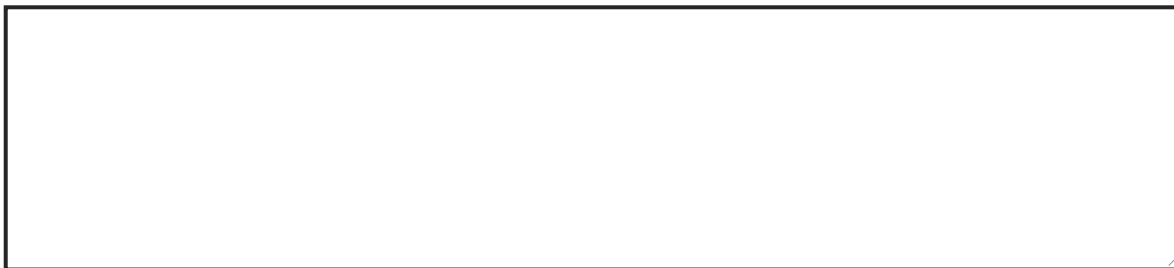

Research Motivation

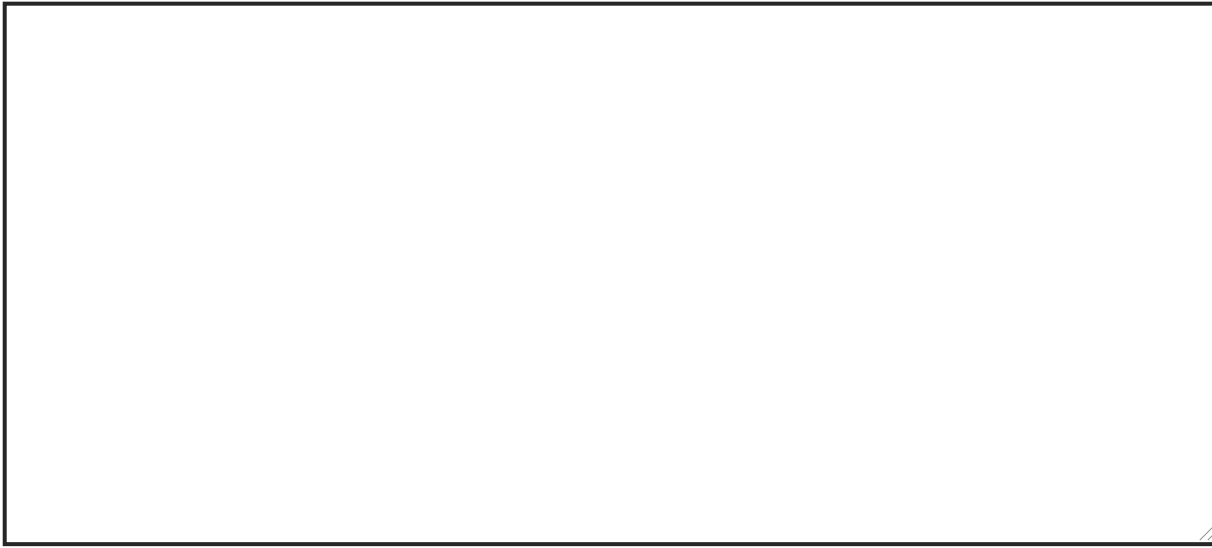

Research Experience: If you have been involved in research, please describe the type and the duration.

Research Motivation: In a few sentences, describe what is it that motivates you to want to do research.

Impact: Briefly describe the impact that receiving this research award will have on you in the short and long term. (Word limit ~ 250 words)

End of Survey

Thank you for your application. Clicking the 'Next' button will submit your application!
