

Full Time Healthcare Staffing and Recruiting Internship

Description:

CI Health Group is looking for a rising junior or senior to join us for an exciting 11 week paid internship. Our team partners with members of the healthcare industry to bring quality medical providers to their facilities and communities.

Expect to gain a comprehensive understanding of the staffing and recruiting industry, real-world sales experience, marketing analytics training and professional development!

Responsibilities:

- Online research of opportunity leads
- Connect and build relationship with facility leadership
- Assist with the presentation of recruiting services to prospective clients
- Connect and screen prospective candidates for Clients' job opportunities
- Bolster our social media presence with regular updates/pictures on LinkedIn, Facebook, Instagram, etc.
- Assist creative team in website/data scraping

Requirements:

- Rising junior or senior Business student
- Good team member, works well with others
- Excellent verbal and written communication
- Driven and hard-working
- Ability to take direction and multi-task
- Experience with OfficeSuite

Benefits:

- Shadowing, mentoring, and training opportunities with successful members of our sales, recruiting and creative teams
- Fun and inviting work environment
- Hourly compensation
- \$1,000 scholarship upon completion of first sale
- Housing available if needed
