GEORGIA-PACIFIC JUMPSTART PROGRAM

Atlanta, GA

WayUp PRESENTS
TOP 100
INTERNSHIP PROGRAMS 2021

An internship with Koch Industries gives you more ways to get involved, gain firsthand experience and make an immediate impact. From day one, we encourage each employee to think like a business owner and challenge the status quo.

Summer Internships

This summer program offers exposure to a variety of business functions and capabilities across Georgia Pacific's Consumer Products business (Retail & Away-From-Home). Throughout the program, interns will own a strategic project aligned with business initiatives ranging from sales, marketing, eCommerce, and innovation. The internship is designed to emphasize sales strategy and techniques, customer support, and innovation. Interns will have the opportunity to explore their skills and interests while driving meaningful mutual value in addition to developing professionally.

The internship is primarily intended for students who are within 1-2 years of completing an undergraduate program. High-performing interns will be considered, upon graduation for full-time employment in the Jumpstart Full-Time training program!
