Total Credit Hours = 122-126

** All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.*

See Reverse for notes about major requirements

Bachelor of Science in Athletic Training

Notes about major requirements:

- In order to earn admission into the professional phase of Athletic Training, students must meet the following requirements:
 1. GPA 2.7 or higher overall
 2. GPA 2.7 or higher in the pre-requisite courses (*=HP 1310, HP 1320 and HP 1420)
 3. Earn a minimum grade of C or higher in all pre-requisite courses
 4. Clinical Observation = a minimum of 50 hours
- Language (!): Third semester proficiency required, 3-11 hours. If less than 6 hrs of language taken, Electives are required for graduation to meet 124 hour minimum requirement.
- **Boldface courses require students to complete 15-20 hours/week of clinical experience (i.e. 225-300 hours/semester) for these six semesters.**
- Upon completion of this Athletic Training program, students are eligible to sit for both the national Board of Certification (BOC) exam and Texas Athletic Training Licensure exam.
- This program is nationally accredited by the Commission on Accreditation of Athletic Training Education (CAATE). In accordance to accreditation, all students graduating with this program will be awarded a B.S.A.T.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
