

Name: _____

Date: _____

Pre-Health Science Studies

A Suggested Sequence of Required Courses (2016-2017 Catalog)

Freshman Year							
Fall				Spring			
_____	0	CHA 1088	<i>Chapel</i> (And UNV 1000)	_____	0	CHA 1088	<i>Chapel</i>
_____	3	CHE 1301	<i>Principles of Modern Chem I</i>	_____	1	CHE 1102	<i>Principles of Modern Chem Lab II</i>
_____	1	CHE 1101	<i>Principles of Modern Chem Lab I</i>	_____	3	CHE 1302	<i>Principles of Modern Chem II</i>
_____	3	ENG 1302	<i>Thinking and Writing</i>	_____	3	ENG 1304	<i>Thinking, Writing and Research</i>
_____	3	HED 1350	<i>Dimensions of Health Science Studies</i>	_____	1	HED 1145	Health and Human Behavior
_____	3	MTH 1320	<i>Pre-Calculus</i>	_____	3	MTH 1321	<i>Calculus or Statistics * (see below)</i>
_____	3	REL 1310	<i>The Christian Scriptures</i>	_____	3	REL 1350	<i>The Christian Heritage</i>
				_____	3	SOC 1305	<i>Introduction to Sociology</i>
Total:	16			Total:	17		

Notes about major requirements:

Students will choose Calculus or Statistics based on their professional goals.

Calculus is required for Pre-Medical and Pre-Dental tracks.

Statistics is required for Pre-Medical, Pre-Dental, and Pre-PT.

For Statistics, choose one course from the following: STA 1380, 2381, 3381, PSY 2402, or SOC 3402.

Students not meeting criteria for admission to the major are encouraged to enroll in the Pre-Health Science Studies program which will allow them to be advised, counseled, and tracked by the Robbins College of Health and Human Sciences. From within this program, students who demonstrate ability to meet GPA and course readiness requirements may transition into the Health Science Studies major. **Students are expected to matriculate into the Health Science Studies major within completion of 30 hours at Baylor.** Students not meeting the criteria for admission to the Health Science Studies major within that time frame must select another major.

To declare the Health Science Studies major: students must make a B or better in MTH 1320 and complete a chemistry placement test (ALEKS) with a sufficient score of 85%.

In addition, students must meet the following requirements. Regardless of hours, students must be eligible to register for both BIO 1305 and 1105, and CHE1301 and 1101 or have completed these courses. In addition, students must meet the following GPA requirements to enter the program based on the number of hours completed at Baylor:

Hours completed at Baylor:

- 0-12 Must be eligible to register for BIO 1305, 1105 and CHE 1301, 1101 or have completed these courses.
- 13-45 Must have a cumulative GPA of 3.3 in all Baylor classes and be eligible to register for, or have completed BIO 1305, 1105 and CHE 1301, 1101
- 46-finish Must have a cumulative GPA of 3.2 in all Baylor classes and be eligible to register for, or have completed BIO 1305, 1105 and CHE 1301, 1101
