Move2BU marks the beginning of your Baylor journey, and your new Baylor family wants to make sure you feel welcome and at home as soon as you arrive. Students, faculty, staff and volunteers from the Baylor community will greet you at your assigned drop-off location and ensure that all of your belongings are unloaded and delivered to your room while you go through the check-in process. Students and staff will be available throughout the day to answer any questions you may have and make sure you are settled into your new home.

Move-in is an exciting beginning to your first year at Baylor. We love welcoming new members into the Baylor family. Your new home is one where you will find a caring community, new friends, and countless opportunities to author the life you’ve been called to live.

Roommates

One of the most important relationships you’ll develop at Baylor is the one with your roommate(s). Whether you grew up together or you’ve never met, communication is the key to a positive roommate relationship. Here are a few good things to talk about before moving in together.

Where are you from?
Where have you lived?
Why did you choose Baylor?
What are you planning to study?
What are you most excited about at Baylor?
What do you like to do for fun?
What are your interests or hobbies?
What do you like to read, watch on TV or listen to?
What are you looking for in a roommate?
How should we set up or decorate our space?
Do we want to have a TV or game console in our room?
Should we rent a MicroFridge and/or purchase a carpet?

SHIP-TO-SCHOOL AND SUMMER STORAGE BY CAMPUS CRATES POWERED BY THE UPS STORE

Imagine pulling up to campus on Move-In Day with no boxes to unload or items to carry other than your coffee! All of your items will be neatly stacked waiting for you in your campus residence. Our Ship-to-School program allows students moving to Waco to ship their items to us ahead of time. We store these items in climate-controlled storage and place them in the student’s on-campus residence before move-in day. We can even accept boxes from vendors like Amazon as well as ship a free stack of boxes to fill and send back to us!

When move-out time arrives, the inevitable question is, “what do I do with all my stuff?” Whether for a few weeks or the entire summer, students are faced with the challenge of renting a storage unit or moving truck, and sometimes paying for more storage space than needed. Campus Crates from The UPS Store has a solution with Summer Storage! We pick up students’ items, store them in our climate-controlled warehouse, and deliver them to the new residence. To make this service even sweeter we give you the storage boxes for free! For students returning to campus their items will be waiting for them in their room when they arrive. We are located across the street from campus on 8th street. Check out details and secure your spot for free at mycampuscrates.com or call 254-300-8641.
