Move2BU marks the beginning of your Baylor journey, and your new Baylor family wants to make sure you feel welcome and at home as soon as you arrive. Students, faculty, staff and volunteers from the Baylor community will greet you at your assigned drop-off location and ensure that all of your belongings are unloaded and delivered to your room while you go through the check-in process. Students and staff will be available throughout the day to answer any questions you may have and make sure you are settled into your new home.

Move-in is an exciting beginning to your first year at Baylor. We love welcoming new members into the Baylor family. Your new home is one where you will find a caring community, new friends, and countless opportunities to author the life you’ve been called to live.
Welcome to your new home

LABELING YOUR ITEMS
Before you load your vehicle with all of your belongings, please ensure that every item – including boxes, bags, containers, laundry baskets, and any uncontained items – is clearly labeled with your full name, residence hall, and room number so our volunteers take your items to the right room.

BEFORE YOU MOVE IN
Each first-year student is issued an official move in time and date. This will be sent out to you via your Baylor email in late July. This date and time is important to try to move in during your assigned time between 8am-12pm each day. If you need to change assigned time, you are able to select a different move in time through the My Housing portal.

MOVE-IN CHECKLIST
• Label all of your belongings with your name, residence hall, and room number.
• Bring your Student ID.
• Download the Guidebook app for move-in to get directions to your residence hall and for getting around campus (available in late summer).
• Print copies of your hangtag from the My Housing portal under MOVE2BU. Please print enough for every car you have loaded for move-in day.
• You can change your official move-in time through the My Housing portal under MOVE2BU.

MOVED IN DAY CHECKLIST
• Check for latest MOVE2BU updates and information through your My Housing portal.
• Print hangtags for each car from your My Housing portal.
• Place your hangtags with your route information on your dashboard, displayed so that the Baylor University Department of Public Safety can see it from a block away. It’s how we will direct you to your drop-off area.
• Please follow the MOVE2BU maps on your move-in day and do not follow your GPS. Main streets are temporarily made one-way during MOVE2BU.
• Have your Check-In QR Code ready for Mobile Check-In.
• Once in the unloading zone, the MOVE2BU Volunteers will unload your vehicle(s) for you. Whilst you are checking in, your items will be delivered to your room.
• Once your items are unloaded, please have a member of your party park your vehicles in the designated parking facilities.
• After your vehicle(s) is parked in the designated parking facilities, return to your community and begin to make yourself at home!

GET TO KNOW YOUR ROOMMATE!
One of the most important relationships you’ll develop at Baylor is with the one you share your room(s) with. Whether you grew up together or you’ve never met, communication is the key to a positive roommate relationship. Here are a few good questions to ask to better get to know your roommate:

• Where are you from?
• Where have you lived?
• Why did you choose Baylor?

• What are you planning to study?
• What are your most exciting facet at Baylor?
• What music do you do for fun?
• What is your favorite book, movie, or TV show?
• How should we decorate our space?
• Do we want to have a TV or gaming console in our room?
• Should we rent a MicroFridge and/or purchase a carpet?
