### **PURPOSE OF THE CAMP**

The Baylor University School of Music Middle School Band and Orchestra Camp offers one week of intense, yet fun-filled training in performance. Camp students are under the artistic supervision and guidance of some of the most outstanding music teachers, conductors, and performers from throughout the state of Texas to ensure that students receive the highest quality instruction. The camp will conclude Saturday morning with the Grand Concert featuring musical performances by each of the camp ensembles.

### **DAILY SCHEDULE**

Each day, students will be involved in large ensemble rehearsals, sectional rehearsals, and group lessons. The sectional rehearsals will involve the students in groups of reduced size receiving individual instruction on their ensemble music. The group lessons will be taught by the Baylor Camp faculty and will be divided into small groups according to the ability level of the students. These lessons will cover basic musicianship skills and techniques particular to each instrument.

Daily recreational activities balance the musical and educational experiences of the camp. Each student will have the opportunity to enjoy supervised swimming, basketball, and other activities. Afternoon activities take place on the Baylor campus and are supervised by the camp staff. Evening events will include on campus swimming, basketball and volleyball, a talent show, and a showing of an optional movie in the stadium. Each student's well-being at camp is our primary concern.

### **HOUSING AND MEALS**

Students will be housed in regular Baylor dormitories. Students will reside in Russell Hall. The Hall is separated into Male and Female Dorms, separated by key card access doors. Each participant is responsible for keeping the dormitory room clean, in order, and free from damage. Campers will be responsible for any damage to the room. Roommates will be assigned unless roommate requests are received in advance. Dormitory rooms accommodate two students. *No roommate requests or changes will be accepted after June 5<sup>th</sup>.* We do our best to honor roommate requests, but do not guarantee rooming assignments. While in the dormitories, all camp students will be under the careful supervision of the camp staff, and security will be a priority. All meals will be served in university dining halls and will begin with dinner on Sunday, June 24<sup>th</sup> and end with breakfast on Saturday, June 30<sup>th</sup>. Campers will receive a key/meal card that provides access to the dormitory doors and the dining hall. Lost cards may be replaced for \$10 and will be billed to the camper.

## **COST**

The cost of the seven-day camp is \$515 which includes tuition, dormitory, meals, and activities. Commuter students may elect not to stay in the dorm and pay \$355 which includes tuition, lunches, and some camp recreational activities. Commuter students may purchase breakfast and dinner for the week for an additional \$75. **Full payment is due 2 weeks prior to the camp.** Students may elect to attend a movie in the stadium at the cost of \$8.00. Students may want to purchase optional souvenirs (concert recording \$25 and camp t-shirt \$15.00, cash or check only). All meals will be provided for residential students. **Extra money for drinks and snacks is subject to the discretion of the parents.**

## **ELIGIBILITY**

The camp is open to all students who will enter grades 7 - 9 during the Fall of 2018. It is a prerequisite that students have played their instrument for at least one year.

## **STAFF**

The camp features an outstanding and award-winning faculty. Ensembles will be conducted by distinguished middle school and high school teachers from around the state of Texas, and instrumental master classes will be taught by members of the instrumental faculty. Many outstanding public-school music teachers are also featured as auxiliary staff during the week. Counseling staff will be comprised of Baylor University music students and certified instrumental music teachers. Counselors are present at all times to assist campers. We provide counseling staff to students at a ratio of 1:10. At night, the campus police is on duty for emergencies. All staff are screened and approved by Baylor University.

## **AUDITIONS AND PLACEMENT**

After picking up your registration packet in the McCrary Music Building Lobby, participants will play an audition for the instrumental faculty to determine placement in one of the camp ensembles. **Each student should bring a piece of music (an etude, solo, or piece of music from their orchestra or band rehearsal) that they wish to play. There are no requirements for selection of a piece; however, a more challenging selection may demonstrate ability for placement in a higher ensemble. Students will be asked to play scales including up to two sharps and two flats. Students may also be asked to sight read a short excerpt on their instrument.** Instrumental faculty will determine ensemble placement based upon ability shown in the audition. Camp participants are encouraged to prepare to the best of their ability.

## **CAMP ENSEMBLES**

There are four major ensemble opportunities during the week. Woodwind, brass, and percussion students will audition for placement in one of four bands (Baylor Band, Bear Band, Green Band, and Gold Band). Each band will be conducted by an outstanding Texas public school music director. String students will audition for chair placement in the camp orchestra. In addition, all students may elect to participate in the camp jazz ensemble that meets during the afternoon hours. Information on participating in the jazz ensemble will be available during the first camp meeting. **The week culminates with a required performance in Jones Hall featuring all camp ensembles.**
