# **PeopleTools 8.5 Upgrade**

MONTHLY NEWSLETTER

The PeopleTools infrastructure that supports the TRAX financial system will be upgraded over the Labor Day weekend. The system will be brought down on Friday, September 3rd and will be unavailable through Monday, September 6th. The impact of a tools upgrade mostly occurs behind-the-scenes. However, this upgrade will improve some aspects of the user interface. Here are some of the changes you can expect:

#### Improved Color Scheme The color scheme

has been updated to be easier on the eyes, and to give you better indications of where you are in the system.

# **Budget Change Request Enhancements**

Enhancements to the Budget Change Request form will be implemented over the Labor Day weekend. There are several new features including the availability to allow for transfers between departments, similar to the Departmental Adjustment form. If you are a BCR user, an online training video is available here. Please review this video prior to entering your next online BCR. Open training labs will also be available on September 8th and September 14th for those who would like to practice in a training environment. For more information or to sign up, please visit to the Professional Development Seminar Online Registration page. \*Please note the BCR process will be unavailable beginning Wednesday, September 1st through the Labor Day Holiday.
