February 12 - 14, 2012
On February 13, 1972, when I played the inaugural concert on the new Ruffatti organ in Roxy Grove Hall, little did I realize that I would be sharing my birthday with the Ruffatti for the next 40 years! It has been a great blessing to play the Ruffatti for five major organs at Baylor during my tenure there.

My wonderful husband Bob and I wanted to ensure the continuation of the Baylor organ conference after my retirement and thus have established an endowment for that purpose. We hope that this conference will bring joy to people who love music for the King of Instruments.

This year, I am especially delighted to welcome native Texan Monte Maxwell in his first Baylor performance, as well as my good friend Mark Thallander whose courage in the face of adversity has inspired thousands around the world. Look forward to seeing you at this exciting event.
