*All students must graduate with a minimum of 124 hours,
36 of which must be at the 3000/4000 level.*

Notes about major requirements:

- Potential German majors are encouraged to complete their foreign language requirements as soon as possible, including beginning with GER 1412 if possible, and using summer sessions. GER 1401, 1402, and 2310/2320 are usually offered during the summer.
- Students must take six hours of GER courses at the 4000-level.
- Baylor in Germany summer abroad program and/or the semester-long or year-long Freiburg exchange program. Suggested time for semester-long Freiburg exchange program is spring semester of junior year. Upper-level classes from both programs will transfer with advisor approval.
- GER 2310 and 2320 are included in the 30 hours in the major. If you begin after the 2310 or 2320 level, you will have to take additional classes to meet your required hours.
- GER 3301 is a prerequisite for all upper-level GER courses. Advisor can waive pre-requisite for spring if taking the course in the fall. GER 3301 and 3302 are pre-requisites to all 4000-level courses.
- GER 3341 and GER 3345 can be taken at any time in the four-year degree plan with advisor's pre-req waiver.
- Taking GER 3341 as early as possible, or at the latest in the same semester as GER 3301, is recommended.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see the undergraduate catalog.

*Because of the number of electives, there is enough room for a minor with this major.

Please see reverse side for important information on general requirements.

Notes about General Requirements:

- Course selection is subject to availability within each semester.
- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see the undergraduate catalog.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
