

# International Business Sources

## Abstracts and Indexes

American Statistics Index (ASI) 1973 -

Gov Docs Ref [Z 7554 U5 A46](#)

ASI is a comprehensive index to federal government statistics. This two part index provides complete bibliographic information. Similar to SRI index. Also available as part of the **Statistical Universe** database.

Business Periodicals Index (BPI) 1958 -

Ref [Z 7164 .C81 B983](#)

Best single source for periodical articles in business, including economics, banking, advertising, marketing, management, specific industries, finance, and international business.

CIS 1970 -

Ref [KF 49 .C62](#)

This two part comprehensive index covers publications of the U.S. Congress: hearings, committees, and reports. Part 1, the index, is arranged by subjects, corporate and individual names. Part 2 consists of abstracts which include complete bibliographic data and SuDoc numbers.

Index of Economic Articles in Journals and Collective Volumes v. 8 - 38 Ref [Z 7164 E2 I4812](#)

A classified subject index to articles in over 200 journals and to selections in Festschriften, essay collections, conference proceedings, and books of reading. Volumes 1 - 7 cover the years 1886 - 1965; volumes 8 to date cover one year each. Also available online as **EconLit**.

Index to International Statistics (IIS) 1980 -

Ref [OVZ Z 7552 I53](#)

IIS is a comprehensive index to various types of publications published by international agencies; United Nations publications, U.N. Regional Commissions, and affiliated agencies, such as the World Health Organization, International Labor Organization, and the International Monetary Fund. Corresponding documents are part of the IIS Microform Library. IIS is also part of the **Statistical Universe** database.

Monthly Catalog of United States Government Publications 1895 -

Gov Docs Ref [GP 3.8:672-](#)

The Monthly Catalog is issued with monthly, semiannual, and annual indexes. The catalog is organized by issuing agency and gives complete publishing information. Also available [online](#).

PAIS International in Print

Ref [HB 1 .A1 P35x](#)

Index to articles, books, some government publications, pamphlets, and agency reports relating to economic and social conditions, public administration, and international relations. Also available online.

Predicasts F&S International

Ref [HD 2328 .P74x](#)

Social Sciences Citation Index 1972 -

Ref [Z 7161 .S65](#)

Citations from over 4000 journals are completely or selectively included, with adequate coverage of business and economics. SSCI is both international and multidisciplinary in coverage. This is available online as a part of the **Web of Knowledge** database.

Social Sciences Index

Ref [AI 3 .S61](#)

Index to journals that include the fields of economics, area studies, public administration, geography, law, political science, and related subjects.

Statistical Reference Index (SRI)

Ref [OVZ Z 7554 .U5 S79](#)

This two part comprehensive index covers statistical publications from private organizations and state government sources. Part 1 of the index is organized by subject, personal author and data sources. Part 2 contains the abstract, which includes complete bibliographic data.

## **Databases**

### [ABI/Inform global](#)

Indexes 1000 worldwide business periodicals -- many full text -- covering topics such as advertising, marketing, economics, human resources, finance, taxation, computers, etc. Also provides information on 60,000+ companies.

### [Business and Company Resource Center](#)

Contains company information, articles and investment reports. Some full text available.

### [Business Source Complete](#)

Indexes scholarly business journals covering management, economics, finance, accounting, international business, and much more. About 80% of the journals are available with full text.

### [EconLit](#)

EconLit is the American Economic Association's electronic bibliography of economic literature. EconLit is an expanded version of the Journal of Economic Literature (JEL) indexes of journals, books, and dissertations. In addition, EconLit includes citations to articles in collective volumes indexed in the annual volumes of the Index of Economic Articles, articles from over 250 journals not indexed in JEL, and the full-text of JEL book reviews. EconLit also incorporates the Abstracts of Working Papers in Economics (AWPE) database licensed from Cambridge University Press.

### [IMF International Financial Statistics](#)

A standard source of international statistics on all aspects of international and domestic finance. It reports, for most countries of the world, current data needed in the analysis of problems of international payments and of inflation and deflation, i.e., data on exchange rates, international liquidity, international banking, money and banking, interest rates, prices, production, international transactions, government accounts, and national accounts. Information is presented in country tables and in tables of area and world aggregates.

#### [Lexis/Nexis Academic](#)

The business component of Lexis-Nexis Academic UNIVerse includes company, country, financial, demographic, market research and industry reports. Approximately 120,000 new articles are added each day from worldwide newspapers, magazines, news wires and trade journals. Many of the resources found in Lexis/Nexis UNIVerse are available in full text.

#### [Lexis/Nexis Statistical](#)

This resource provides access to some of the best statistical publications from private and state government sources since 1980 (from Statistical Reference Index) and approximately 2000 titles from about 100 international intergovernmental organizations, published annually since 1983 (from Index to International Statistics)

#### [Mergent Online](#)

This online version of Moody's Manuals includes information on over 10,000 U.S. public companies, 11,000+ non-U.S. public companies, and 17,610 municipal entities, as well as extensive corporate and municipal bond, UIT, and dividend information.

#### [SourceOECD](#)

SourceOECD is the publications portal of the Organisation for Economic Co-operation and Development (OECD) and consists of three sections that include Books and Reports by Theme, Periodicals, and Statistics. OECD, based in Paris, is a forum permitting governments of industrialized democracies to study and formulate policies in all economic and social spheres.

#### [World Bank e-library](#)

This database is fully cross-searchable portal of over 4,000 World Bank documents. The collection consists of over 1,600 World Bank publications and over 2,400 Policy Research Working Papers, plus each new book and paper as they are published.

#### [World Development Indicators \(WDI\) Online](#)

Provides direct access to more than 550 development indicators, with time series for 207 countries and 18 country groups from 1960 to current years, where data are available.

#### [World News Connection](#)

A successor to the Daily reports from the Foreign Broadcasting Information Service and the JPRS reports from the Joint Publications Research Service provided through the National Technical Information Service. The material is obtained from non-U.S. open-source political speeches, television programs, radio broadcasts, newspaper articles, periodicals, and books. The content focuses primarily on military, political, environmental, scientific, technical, and socioeconomic issues and events.

#### [WorldScope](#)

WorldScope provides access to in-depth financial information for public companies worldwide found in annual reports, disclosure statements, newspapers, and wire services. It offers a full-text option for full documentation.
