All students must graduate with a minimum of 124 hours,
36 of which must be at the 3000/4000 level.**Notes about major requirements:**

- The curriculum for Option II contains courses from all areas of family and consumer sciences and thus prepares students for careers requiring a broad, general background in family and consumer sciences.
- It is preferred that students complete CHE 1405 before taking FSC 2351 and 2310.
- A grade of "C" or better in all family and consumer sciences courses used for the major and a "C" average in courses taken outside the department.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see the undergraduate catalog.

Please see reverse side for important information on general requirements.

Notes about General Requirements:

- Course selection is subject to availability within each semester.
- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see the undergraduate catalog.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
