### Notes about major requirements:

- Pre-law preparation: law schools generally encourage pre-law students to achieve a broad cultural background, and many students enter law school with an undergraduate major in political science.
- **Core Pre-Law** Course options: At least 3 courses from PSC 3302, 3321, 3339, 4305, 4307, 4342, 4361 and 4381.
- **PSC subfields:** Students need one introductory course from each of four subfields: PSC 1305 (American National Government --- this course will also count as a Social Science); PSC 2343 (Introduction to Western Political Philosophy); PSC 3304 (Comparative Politics); and PSC 3315 (International Relations).
- English requirement: Students are allowed to take either ENG 1304 or FAS 1118, 1128, and 1138. Students majoring in the sciences may take ENG 3300 instead of ENG 1304.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see the undergraduate catalog.

\*Because of the number of electives, there is enough room for a minor or double major with this major.

**Please see reverse side for important information on general requirements.**

**Notes about General Requirements:**

- Course selection is subject to availability within each semester.
- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see the undergraduate catalog.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
