July 16, 2018

Dear Instrumental Student:

We hope you are enjoying the summer and looking forward to the beginning of the fall semester! As we begin our preparations for the upcoming year, we want you to be aware of the audition procedures for the Baylor instrumental ensembles. Please read the information below carefully. Learning to audition is an important part of the educational process for every music student. In order for you to maximize this opportunity, we expect you to prepare the audition material to the very best of your ability. Please be aware that part assignments and seating for the year will largely be based on the results of these fall auditions.

Auditions will be heard by the instrumental conducting faculty and applicable studio faculty. This process makes alternative audition times extremely difficult. If it is impossible for you to audition during the scheduled audition time, please call or e-mail one of us for instructions prior to August 3rd. Auditions at the end of the fall semester may be held primarily for those openings created by graduation or student teaching. However, in sections where fall auditions are extremely competitive, the conductors may require a new audition for the spring semester.

Placement in and part assignments for the following ensembles will be determined by the upcoming auditions. Please note the semester rehearsal schedule detailed below, which has been modified slightly:

<table>

Some schedule changes may be necessary following the auditions. Undergraduate woodwind, brass, percussion, harp and string bass students selected for the Baylor Symphony/Wind Ensemble “pool” should register for either course (not both) but must have both times available. Please be reminded that undergraduate “pool” members are not allowed to register for both Baylor Symphony and Wind Ensemble courses in the same semester, therefore, we recommend that you alternate ensembles when you register each semester so that your transcript shows participation in both wind ensemble and orchestra. Grading for these “pool” members will be based on fulfillment of assigned responsibilities, as mutually determined by both ensemble conductors. Graduate woodwind, brass, percussion, harp and string bass students selected for the Baylor Symphony/Wind Ensemble “pool” must be registered for both courses each semester.

The schedule of the auditions is detailed on the following page. Information regarding these auditions will be posted on the ensemble bulletin board outside of room 118 in the McCrory Music Building (MMB).

We are very excited about the coming academic year. As always, if you have any questions, or if we can be of assistance in any way, feel free to contact one of us. Enjoy the remainder of the summer!

Sincerely,

Stephen Heyde

Instrumental Audition Guide

Please understand that part assignments for ALL ensembles will be based on the results of these auditions. Parts will be rotated when possible, but the most challenging parts and leadership roles will be assigned to those students exhibiting the highest level of preparedness and musicianship in these auditions. Additionally:

1. All auditions will be heard behind a screen. A monitor will escort you into the audition room and announce your assigned letter. You may then begin to play. Please do not speak at all during your time in the room. Should you have a question, exit the room and ask it of the monitor.

2. All auditions will be heard by the instrumental ensemble faculty and applicable studio teacher, as available.

3. Prepare the entire audition packet as you may be asked to play all required excerpts. Exception: those non-music major string players auditioning for Campus Orchestra need only prepare and perform the indicated material.

4. Sign-up sheets will be posted on the board outside MMB room 118 by Wednesday, August 15. At your convenience, please reserve a specific time within the designated audition period for your instrument. Additionally, pick-up the Personal Information Form (PIF) posted in this location and take the completed form to your audition.

5. Report for your audition 10 minutes prior to the scheduled time for your instrument group. A monitor will be present to assist you (give completed PIF to monitor).

6. The audition excerpts have been carefully marked. Please adhere to the musical instructions indicated. You are encouraged to listen to reference recordings (see bottom of p. 2).

7. We assume that you will play the correct notes and the correct rhythms. In addition, we are listening for quality of tone and intonation as well as intentional and expressive musicianship.

Woodwind, Brass, and Percussion music majors:
Students receiving School of Music scholarships are required to audition for ensemble assignment by the conducting faculty each semester as stated in the scholarship letter of agreement. To be in compliance with the scholarship requirements, all scholarship students must audition and may be assigned to a fall concert ensemble (Symphony Orchestra/Wind Ensemble “pool” or Symphonic Band). Participating in only the Golden Wave Marching Band or Jazz Ensembles without participating in the audition process does not fulfill the scholarship requirement. Music Education majors continue to have a two-year curricular requirement to participate in the Golden Wave.
July 6, 2018

Dear Baylor String Student,

I hope you are enjoying the summer and looking forward to the beginning of the fall semester! Please read the information below carefully.

Because the question is so frequently asked, let me assure your audition will be held behind a screen to preserve anonymity and ensure fairness. It will be evaluated by a committee that includes the orchestral conducting faculty and appropriate string faculty members and may also include other qualified judges. While I rotate seating to an extent, let me underscore again that those who play the best auditions will get the highest seats and the opportunity for leadership experience. I also encourage you to read the Instrumental Audition Guide found earlier in this packet.

Every person receiving a School of Music scholarship must audition on the required Baylor Symphony audition excerpts, even if you are not majoring in music. Failure to do so will result in revocation of the scholarship award. Those who are planning to play in the Campus Orchestra (and not receiving any music scholarship) will not be required to audition this year, though seating auditions will be held the first week of school at the discretion of Dr. Alexander, Conductor of the Campus Orchestra.

Those auditioning for the Baylor Symphony and/or receiving a music scholarship, should prepare all the required audition excerpts for your instrument, though you may not be asked to play all of them at the audition. If you wish to be considered for a leadership position in the Baylor Symphony, please also prepare the leadership excerpts in addition to the mandatory excerpts.

Please note the rehearsal schedules. After auditions, we will facilitate schedule changes (at University request) for those assigned to a different orchestra than the one in which you are currently registered. All participants must be registered for the orchestra in which they are playing.

Students majoring in music: We are structuring this like a professional audition, so you must prepare accordingly to get the full benefit of the experience. Listening to excellent recordings of these pieces should be part of your audition process. Please remember every little detail is important; be especially observant of articulations and dynamics as well as issues of style and musicality. We assume that everybody will play all the notes and rhythms. Your challenge is to
play in such a convincing manner that a professional orchestra would hire you! Unfortunately, every year I hear students who do not take the audition seriously enough and languish for the year behind others who may not play as well, but prepared the audition more conscientiously. Don’t have any regrets afterwards!

**Students who are not music majors:** I am delighted you are auditioning. Every year we have many students with majors other than music who make enormous contributions to our program. We really value your contributions.

**Waco Symphony Auditions and Internships:** Positions in the Waco Symphony are highly contested and represent important educational and financial opportunities for our students. The Baylor orchestra auditions will determine those string students offered WSO internships, which will be available in all string sections at the standard intern rate of fifty dollars per service.

Waco Symphony contract auditions will be held later in August. Those interested in taking a contract audition should contact the WSO Personnel Manager, Dr. Mark Whitney, at mwhitnet@cord.org. Students offered an internship may subsequently elect to take a WSO contract audition. If successful, a contract will be issued at the negotiated union rate. If you are not offered a contract, you may still accept the internship.

**Please understand that auditioning for a contract position with the Waco Symphony is a separate process completely and does not excuse you from the Baylor Symphony auditions.**

If you have any questions, please e-mail me or call or text me at (254) 744-2976. I am very excited about the possibilities for the coming year and look forward to seeing you all soon! Enjoy the remainder of the summer!

Sincerely yours,

[Signature]
