*All students must graduate with a minimum of 124 hours,
36 of which must be at the 3000/4000 level.*

Notes about major requirements:

- Potential Russian majors are encouraged to complete their foreign language requirements as soon as possible.
- Students must take six hours of RUS courses at the 4000-level.
- Three hours of 1000-level and RUS 2310 and 2320 are included in the 27 hours in the major. If you begin after the 2310 or 2320 level, you will have to take additional classes to meet your required hours.
- Verify prerequisites on all of the courses you intend to take.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see the undergraduate catalog.

*Because of the number of electives, there is enough room for a minor with this major.
