*Need both BIO 1401 and PHY 1407; may substitute appropriate section of NW I or II for one of these courses.

All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.

Notes about major requirements:

Students must earn a B or better in the following four courses before they can take other CSD courses: CSD 1308, CSD 2318, CSD 2351, and CSD 3357.

- Students planning a career in audiology and speech pathology are encouraged to pursue a master's degree. Upon completion of the master's degree in communication sciences and disorders, students are eligible to seek certification by the American Speech-Language-Hearing Association and to seek licensure as speech pathologists.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
