Post Doctorate Advertisement 2018-2019

Department of Mathematics

Baylor University is a private Christian university and a nationally ranked research institution, consistently listed with highest honors among The Chronicle of Higher Education’s “Great Colleges to Work For.” The University is recruiting new faculty with a deep commitment to excellence in teaching, research and scholarship. Baylor seeks faculty who share in our aspiration to become a tier one research institution while strengthening our distinctive Christian mission as described in our strategic vision, Pro Futuris, (www.baylor.edu/profuturis/) and academic strategic plan, Illuminate (www.baylor.edu/illuminate). As the world’s largest Baptist University, Baylor offers over 40 doctoral programs and has more than 17,000 students from all 50 states and more than 85 countries.

Baylor seeks to fill the following position in the Department of Mathematics in the College of Arts & Sciences:

Postdoctoral Fellow

starting in August 2019. This position may be renewable annually to a maximum of three years and is not a tenure-track position. Salary and benefits are competitive. Excellence in teaching and research is essential. Strong potential for obtaining external funding is desirable. Special consideration will be given to applicants with research interests overlapping current areas of research in the department which include algebra, analysis, computational mathematics, differential equations, mathematical physics, numerical analysis, number theory, representation theory, and topology.

Candidates should possess an earned doctorate in the appropriate field of study by August 2019. We encourage all applicants to submit their materials online at http://www.mathjobs.org/jobs. A complete application includes a cover letter of application (please refer to the job number BQ #93776), at least three letters of recommendation, a current curriculum vitae, a research statement, a teaching statement, a publication list, current doctoral transcripts and a short statement of support for Baylor's Christian mission (see http://www.baylor.edu/profuturis/) indicating your religious affiliation. Finalists for this position will be required to submit official doctoral transcripts in advance of a campus visit.

Applications will be reviewed beginning 12/01/2018 and will be accepted until the position is filled.
