^aThe Methods Classes (MUS 1117, 1118, 1120, and 1121) are offered only in rotation by semesters. Thus, once started, the classes should be taken in sequence (One in each consecutive semester).

^bThis plan allows for a total of 69 hours in General studies with a load of 18 hours each semester (except the student teaching semester). The General Studies requirement is 42-50 hours, depending on your prior foreign language study. If you are interested in taking fewer than 18 hours per semester then you are strongly encouraged to apply AP credits (when applicable), CLEP

examination credit, or to take summer term courses, either at Baylor or at another approved institution. A maximum of 15 hours is transferable from another institution.
